EDUCATION

Matriculated with Highschool NSC

St. Declan's School for Boys, Alberton

2018 – 2022

Bachelor of Computing

Belgium Campus ITversity, Pretoria North

2023 – present

CAREER STATEMENT

As an aspiring Software Engineering student with a strong interest in IoT and game development, I actively seek opportunities to apply my skills in practical projects. My leadership experience has enhanced my ability to collaborate effectively and think strategically. Additionally, my problem-solving mindset motivates me to address technical challenges. I am enthusiastic about gaining hands-on experience through an internship where I can contribute to projects, learn from industry professionals, and further develop my expertise in software development and emerging technologies.

CORE SKILLS

- | | |
|--|--------------------------|
| • Team Collaboration | • C# |
| • Problem Solving | • SQL |
| • Object Orientated Programming Principles | • Java |
| • HTML/CSS | • C++ |
